Home Installer | Labourer

At Life Style Store we design and install bespoke Home Theatre and Home Automation systems. Our world class showroom in North Parramatta features 16 demonstration rooms and a fully simulated home featuring the latest home automation technology.

Home Automation systems offer the ultimate in convenience by making the electronic components people use daily work together seamlessly. They create personalised experiences which add comfort, savings, convenience, and peace of mind by integrating everything from lighting, music, video, climate control, security and more.

As a Home Installer you will learn everything you need to know so that you can confidently enter a customer's house and INSTALL their Home Theatre and or Automation system to their unique specifications.

About you:
